SIXTH FORM OPEN EVENING

Monday 23rd November 2009

NoR: 1708 including 420 in the Sixth Form

Samuel Whitbread Community College is a very popular and expanding school with outstanding facilities. Examination results have improved steadily over recent years and we are one of only two schools in the Local Authority whose pre and post 16 results have improved again this year.

Parents and students in Year 11 will receive individual invitations for the evening. Parents and students from other schools and colleges are most welcome and we invite you to join us at **6:30pm** or **7:30pm** for a short presentation from the Principal and senior students, followed by an opportunity to meet teaching staff and students from departments.

Please contact Carrie Seaton if you are unable to come along to arrange a time to visit the College.

We look forward to meeting you.
