19 November 2009

Sixth Form Open Evening on Monday 23rd November 2009

Dear Student,

With your summer exams approaching it is time for you to consider your future with a great deal of sincerity. Not only do you need to study hard for your GCSE examinations, you also need to put together your plans for your education after GCSEs. One way of starting your preparations is to attend the **Sixth Form Open Evening on Monday 23rd November 2009**. The aim of the event is to give you an opportunity to investigate the full range of post-Year 11 opportunities in education for you. Due to the high number of students in Year 11 the evening has been split into two sessions. **We are asking Brunel tutor groups to arrive at 6.30pm and Curie at 7pm**. There will be a brief presentation with the Principal about the different qualifications and career routes you could pursue, followed by the opportunity for you to meet teaching staff and senior students from departments, to discuss what courses they offer and your suitability for continued study. Members of the Sixth Form team, the Connexions service and University of Bedfordshire will also be available to answer questions and give advice.

The Sixth Form at Samuel Whitbread Community College is an exciting community that offers an opportunity to gain both excellent exam results and take part in a wide variety of extra curricular activities. By studying in the Sixth Form you would be studying at an institution with GREAT SUCCESS in post-16 education.

Your copy of our Sixth Form Prospectus will be available during the evening.

I look forward to meeting you and your parents on Monday 23rd November.

If you are unable to attend but would like further information, please email sixthform@swcc.beds.sch.uk or contact Carrie Seaton on 01462 629900.

Yours sincerely,

Mrs N Lavery
Head of Sixth Form
